

9th March 2018

Easter Fayre - Friday 23rd March from 2-4pm.

We have very few FOFS committee members at present and some of these hardworking people have found that they are unable to help with the Easter Fayre. This leaves Emma, our FOFS Chair with only a couple of other willing hands who may not be able to come for long on the actual day. Emma and I therefore decided we needed to scale back the Easter Fayre today as we can't do it all between us. It will definitely still be happening though!

We will have...

- Children's stalls, games and activities (provided by Y5/6)
- Bake Sale (any donations most welcome)
- Raffle (any new/unused item or Easter eggs to raffle will be gratefully received)
- Refreshments (if we can find someone to help us)

Is anyone able to help us please? Can anyone donate a raffle prize? It would be lovely to have help with the bake sale, raffle and refreshments. We missed our Christmas fundraising event due to the sickness bug closure and don't want to miss this opportunity to raise much-valued and needed funds.

Thank you.

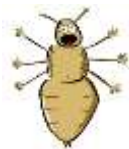

World Book Day

Thank you to everyone who supported World Book Day this Friday. The children's costumes and imaginations were amazing and some wonderful stories have been shared and enjoyed.

Snow Closure

Thank you parents and carers for your understanding about the recent snow closure. I've spent a few sleepless nights worrying about the days of lost learning (especially since we were forced to close before Christmas too), but several kind hearts have comforted me by saying how much their children got out of the experience. Many special family memories have been made and nearly everyone had a tale to tell! It's hard to believe just how bad the roads around the school were, so I know it was the right decision. We couldn't have got in, unless we all had tractors!

Head Lice

Several parents and carers have been into school to say that they have found some head lice in their child's hair. Please would you check your children's hair carefully and treat accordingly.

Slap Cheek

We have had many cases of slap cheek before and after the snow closure days. Advice from Public Health England is that although it is very contagious before the distinctive red cheeks appear, there isn't anything we can do and so long as your child feels well, they are welcome to come to school.

The Big Sing Event – May 3rd at Carrow Road football Stadium

Parents, carers and families are invited to come and watch this event which all Forncett children will be participating in. There is a limited number of audience tickets available at £5 per ticket. Upon selecting your seats, please be aware that participating pupils will be seated in the South Stand to give you context for sight lines. Go to

<https://tickets.canaries.co.uk/PagesPublic/ProductBrowse/Producthome.aspx?ProductSubType=play>

to order your tickets.
