

PE AND SPORT PREMIUM FUNDING 2017-18

Our Vision Statement.

At Forncett St. Peter CEVA Primary School, we aim to provide high-quality physical education which will inspire our children to participate, succeed and excel in a range of physically demanding activities including competitive sports. We aim to provide opportunities for our children to become physically confident in a way which supports their health, wellbeing and fitness and develops their character through embedding sporting values such as fairness and respect.

About the PE and Sports Premium Funding.

'PE and Sport Premium Funding is designed to help primary schools improve the quality of the PE and sports activities they offer their pupils.

Schools receive funding based on the number of pupils in Years 1 to 6.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money'.

As a result of the additional funding, we aim to:

- Improve the quality and breadth of PE and sport provision
- Increase pupils' participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of
